<http://www.wallace.edu/deptpages/health/adn/>

Note: An evening option will not be available for new admission for spring 2010.

Revised: 08/09

BASIC INFORMATION

How do I get started?

Acceptance to Wallace Community College (WCC) is the first step for application to the LPN-to-RN Mobility program. You must complete a WCC application and be UNCONDITIONALLY ACCEPTED to WCC prior to applying to the ADN program. Applications to WCC may be submitted to the Office of Admissions and Records at any of the campuses listed on the application. If you are uncertain of your WCC application status or need a WCC application, please contact the Office of Admissions and Records at (334) 983-3521 or (800) 543-2426.

Applications to WCC may also be obtained on our Web site at <http://www.wallace.edu/enrollment/admissions/>. Applications from the Web site must be printed and submitted to WCC. *Please be aware that new regulations require photo identification. If submitted via mail, an original notarized copy of a driver's license must accompany the college application. For other forms of acceptable identification, please contact the Office of Admission and Records.*

What are the admissions requirements for the LPN-to-RN Mobility program?

1. Student must obtain **unconditional admission** to WCC.
2. Student must submit a **completed application packet** for the LPN-to-RN Mobility program by the published deadline.
3. Student must be in **good standing with WCC** (as defined by the college catalog).
4. Student must have a **valid, unencumbered Alabama LPN license**.
5. Student must have documentation of employment as an LPN for a minimum of 500 clock hours within twelve (12) months prior to application to the LPN-to-RN Mobility program.
6. Student must have a minimum **GPA of 2.500**.
7. Student must have a reading score of **76 or higher on the COMPASS™ Reading Examination or a 17 or higher on the ACT®**. Test scores must be within three years from the LPN-to-RN Mobility application deadline. (This is required even if you have completed college courses and/or received a degree.)
8. Student must **complete** the following courses with a "C" or higher prior to applying to the LPN-to-RN Mobility program:
 - **MTH100** Intermediate College Algebra (or a higher level math, i.e. Pre-calculus, Calculus, Finite Mathematics, etc.)
 - **ENG101** English Composition I
 - **BIO201** Human Anatomy and Physiology I
 - **BIO202** Human Anatomy and Physiology II
9. Student must be able to **meet the essential functions** or technical standards required for nursing.

How do I know what classes to take for the LPN-to-RN Mobility program?

Upon admission to WCC, you will be assigned an advisor. You can meet with your advisor by making an appointment. During your advising meeting, your advisor will review your status and discuss your options with you. Advisors are also available during each open registration period and can help you in making your course selections. **A curriculum guide is included in this packet to further assist you.** Students in pre-nursing may take any course that does not begin with an "NUR" prefix, prior to applying to the LPN-to-RN Mobility program.

When do I apply to the LPN-to-RN Mobility program?

When you have met the admission requirements, you are ready to apply to the ADN program. Some students opt to complete the majority of the curriculum-required general education courses prior to applying; however, this is not required.

How do I apply to the LPN-to-RN Mobility program?

To apply to the LPN-to-RN Mobility program, you will need to complete an application packet and submit it, along with any required documentation, to the ADN program office on the Wallace Campus, Dothan. This can be done in person or via the U.S. mail. Additionally, students may submit applications to the Ft. Rucker Center and the Sparks Campus. Exact locations will be listed on the application packet.

It is important to note that the LPN-to-RN Mobility application packet must be complete at the time it is submitted. Incomplete applications will not be processed for possible admission to the LPN-to-RN Mobility program. A checklist will be provided for your convenience.

Applications can be picked up in person or printed from the WCC Web site at <http://www.wallace.edu/deptpages/health/adn/>. Additionally, students that do not have access to the internet may contact the ADN Program Office at (334) 556-2262 to request an application by mail.

If I don't have a reading score and need to take the COMPASS™ Reading Examination, how can I find out about it?

COMPASS™ testing is offered on pre-scheduled dates and on a walk-in basis. For questions regarding the COMPASS™ Examination, please contact Testing Services:

Wallace Campus, Dothan – (334) 983-3521, ext. 2294, ext. 2281, ext. 2208
Ft. Rucker Center – (334) 598-8866
Sparks Campus, Eufaula – (334) 983-3521, ext. 4249, ext. 4210
Online - http://www.wallace.edu/student_resources/test_serv.htm

What will I need in order to complete my LPN-to-RN Mobility application packet?

1. **A complete LPN-to-RN Mobility application.** Please make sure that all forms are signed.
2. **A copy of your Admission Agreement form from the Office of Admissions and Records.** Even if you are currently enrolled in courses at WCC, a copy of this agreement must be included in your ADN application packet.
3. **Transcripts from each college you have attended.** (Unofficial copies are acceptable.) Although official transcripts are in the Office of Admissions and Records, *a copy must be included in your LPN-to-RN Mobility application packet.* Transfer courses listed on another college's transcript are not acceptable in lieu of a transcript from the actual college where credit was received. All transcripts submitted for LPN-to-RN Mobility application purposes must accompany the LPN-to-RN Mobility application packet.
4. **Documentation of a reading score, either COMPASS™ or ACT®.** (Must be no older than 3 years from the ADN application deadline. A reading score is required regardless of previous college experience and/or degree.)
5. **Documentation of completion of English Composition I, Intermediate College Algebra (or a higher level math), Anatomy & Physiology I, and Anatomy & Physiology II.** Documentation should be in the form of transcripts.
6. **A copy of your Alabama LPN license.**

Note: Students that have completed WorkKeys® (OR1104) can submit scores for possible ranking points. Documentation must be included with the ADN application packet.

Note: Students that have not completed Microbiology may submit a copy of their high school transcript with the LPN-to-RN Mobility application packet for possible ranking points. High school Chemistry will be considered for additional points in lieu of college level Microbiology.

Keep copies of all LPN-to-RN Mobility application material that is submitted. Once submitted, copies of materials will not be made or transferred for re-application to the ADN program or for application to any other program.

How are applicants selected for admission to the LPN-to-RN Mobility program?

Applicants to the LPN-to-RN Mobility program are ranked using a state-standardized points system. There are 200 possible points. Points are assigned using the following criteria:

Reading Score	76-99 possible points
A & P I	30 possible points (“A” = 30, “B” = 20, “C” = 10)
A & P II	30 possible points (“A” = 30, “B” = 20, “C” = 10)
Microbiology	30 possible points (“A” = 30, “B” = 20, “C” = 10)
Intermediate College Algebra or higher level math	3 possible points (“A” = 3, “B” = 2, “C” = 1)
Developmental Psychology	3 possible points (“A” = 3, “B” = 2, “C” = 1)
WorkKeys® (ORI104)	5 possible points for successful completion.

How will the GPA be calculated?

For admission purposes, nursing programs will calculate a GPA based on the applicant’s last 24 hours of college credit. Hours will be counted in reverse chronological order. If 24 credit hours are reached in the middle of a term, grades/hours in the odd term will be chosen in such a way as to benefit the student.

If a student is at the graduate level and has received less than 24 credits at that level, the most recent 24 hours of undergraduate credits will be used in the GPA calculation – graduate credit hours will be ignored.

Neither a GED nor high school credits will be used in calculating a GPA except as required in the Early College Enrollment Program.

What happens after I submit my LPN-to-RN Mobility application packet?

LPN-to-RN Mobility applications will not be reviewed until after the application deadline. All applications are reviewed for completion and ranked by the ADN Admissions Committee. All students that apply to the LPN-to-RN Mobility program will receive notification of their acceptance status via the U.S. mail. Please allow a minimum of six (6) weeks from the application deadline for applications to be processed. *No information regarding the status of an application will be given over the telephone.*

Admission to the LPN-to-RN Mobility program is competitive and the number of students is limited by the number of faculty and clinical facilities available. *Meeting minimal requirements does not guarantee acceptance.*

Will a background screen be required?

Applicants accepted to the LPN-to-RN Mobility program will be required to complete a background screen. Students should be aware that a fee will be charged to complete this requirement. Criminal findings may prohibit enrollment into the LPN-to-RN Mobility program. Nothing should be completed prior to notification from the ADN program.

Will a physical examination and drug screening be required?

Applicants accepted to the LPN-to-RN Mobility program will receive a listing of health requirements, to include information about a physical examination and drug screening. Information regarding health requirements and drug screening will be provided at new-student orientation for ADN students. Nothing should be done prior to notification from the ADN program.

Will CPR be required?

Applicants accepted to the LPN-to-RN Mobility program must provide proof of current CPR, at the health care provider level. CPR must be updated annually. Information regarding requirements for CPR will be provided at new-student orientation for ADN students.

LPN-to-RN MOBILITY - STANDARD CURRICULUM

Students may complete some or all of the general education (non-nursing) courses prior to admission to the LPN-to-RN Mobility program. Upon admission to the program, students must complete any remaining general education courses prior to or within the semester listed, in order to progress. **NUR courses are sequential and cannot be combined to shorten the length of the program.**

All courses listed in the LPN-to-RN Mobility curriculum must be completed with a “C” or higher.

Pre-requisite Courses (Required prior to application)

MTH100	Intermediate College Algebra (or a higher level math)	3
ENG101	English Composition I	3
*BIO201	Anatomy & Physiology I	4
BIO202	Anatomy & Physiology II	4
TOTAL Credit Hours		14

First Term

**NUR200	Nursing Career Mobility Assessment <i>On completion of NUR200, mobility students receive nontraditional credit for 15 hours of NUR courses (NUR102, 103, 104, 105, and 106).</i>	6
TOTAL Credit Hours		6

Second Term

PSY200	General Psychology	3
BIO220	General Microbiology	4
NUR201	Nursing Through the Lifespan I	5
TOTAL Credit Hours		12

Third Term

SPH106	Speech	3
PSY210	Human Growth and Development	3
NUR202	Nursing Through the Lifespan II	6
TOTAL Credit Hours		12

Fourth Term

HUMANITIES ELECTIVE		3
NUR203	Nursing Through the Lifespan III	6
NUR204	Transition Into Nursing Practice	4
TOTAL Credit Hours		13

Total Program Credit Hours: 57

Per College curriculum requirements, the following courses will be required in order to complete your AAS in Nursing. These courses must be completed satisfactorily or with a “C” or higher:

- ORI 101:** Orientation to College (if applicable)
- ORI 104:** WorkKeys® Assessment and Advisement
- CIS 146:** Microcomputer Applications - **NOTE:** The pre-requisite course for CIS146 is **CIS096 – Introductory Computer Skills**. Completion of this course or proof of competency is required for progression into CIS146. A challenge exam for CIS096 is available through Testing Services. **NOTE:** Students who desire to demonstrate computer competency in order to exempt **CIS146 –Microcomputer Applications** should contact Mr. Kevin Cureton at 334-556-2552 or 800-543-2426, extension 2552 or kcureton@wallace.edu.)

***Pre-requisite:** Completion of BIO103 with a “D” or higher or satisfactory performance on ACCS Biology Placement Exam is required by WCC in order to progress to BIO201 (Anatomy & Physiology I). Transfer students that have completed an Anatomy and Physiology course at another college and have received transfer credit at WCC through the Office of Admissions and Records will not be required to complete BIO103 in order to meet curriculum requirements.

**** NUR200 is required for all LPN-to-RN Mobility students, with the following exception: STUDENTS THAT HAVE COMPLETED THE ALABAMA COMMUNITY COLLEGE SYSTEM’S STANDARDIZED PRACTICAL NURSING CURRICULUM WITHIN THE PAST TWO (2) YEARS.**

ESTIMATED PROGRAM COSTS

TUITION	UNIT	TOTAL
57 Credit Hours <i>(based on in-state tuition and does not include any remedial courses)</i>	\$71.00	\$4047.00

FEES	UNIT	TOTAL
Technology Fee	\$9.00	\$648.00
Facility Fee	\$9.00	\$648.00
Bond Surety Fee	\$1.00	\$72.00
Graduation/Diploma Fee	\$17.00	\$17.00
Cap and Gown Fee	\$37.00	\$37.00
Physical Exam	\$50.00	\$50.00
Hepatitis Vaccination (series of 3 injections)	\$85.00	\$255.00
Hepatitis Titer	\$35.00	\$35.00
MMRV Panel	\$85.00	\$85.00
Tetanus Vaccination	\$35.00	\$35.00
Two-Step TB Skin Test (initial)	\$30.00	\$30.00
One-Step TB Skin Test (year two)	\$15.00	\$15.00
