

FALL SEMESTER 2009 FINAL EXAM SCHEDULE

All regularly scheduled classes will end at 12:15 p.m. on Friday, December 11. Classes meeting Friday evening, Saturday, and Sunday will give their exams during their scheduled class times December 11, 12, & 13. Final exams for all other classes will be given in the appropriate time blocks as shown below. “Open” exam periods may be used for make-up exams, proctored hybrid, or distance education course exams. The ENG101 exit exams are Monday, December 14, at 12:30 – 2:30 p.m. or 3:15 – 5:15 p.m.

The table below outlines the exam dates and times for courses that follow the standard scheduling scheme. Sometimes there may be day and time combinations that do not exactly fit within this scheme. Faculty members in nursing and allied health programs whose courses combine theory, lab, and clinical meetings should use the theory meeting time to schedule their final exams. Those whose courses do not follow the standard scheduling scheme will determine test dates and times within the testing period that best complement the standard schedule. Faculty members teaching distance education classes and those who offer traditional course final exams via Wallace Online will make arrangements for computer labs for their exams.
