

# Summer 2010 Final Exam Schedule

All regularly scheduled classes end at 10:00 p.m. on Wednesday, August 4. Final exams for classes with less than three credit hours will be given at the last regularly scheduled class meeting. Final exams are in the appropriate time blocks as shown below, August 5 – August 11. Exam periods designated “Open” and “Proctored” may be used for make-up exams, proctored, hybrid, or online exams. The ENG101 exit exams are Thursday, August 5, at 8:00 a.m.-10:00 a.m. or 10:15 a.m.-12:15 p.m.

The table below outlines the exam dates and times for classes that follow the standard scheduling scheme. Faculty whose classes do not follow the standard scheduling scheme will determine test dates and times within the testing period that best complements the standard schedule (for example, classes meeting MTW should follow exam times for MW). Faculty members in nursing and allied health programs whose classes combine theory, lab, and clinical meetings should use the theory meeting time to schedule their final exams. Faculty members teaching online classes and those who offer traditional final exams via Wallace Online will make arrangements for computer labs and proctors for their exams.
