## IMPORTANT INFORMATION FOR STUDENTS RECEIVING FEDERAL VA BENEFITS CHAPTER 30, 1606, 1607 OR 35

1. According to the VA, new students should receive their first check in approximately 90 days. With this in mind, be prepared to pay the first semester's enrollment cost before you receive your first check. You are allowed to apply for an **advance payment** if certain conditions are met. Ask your VA school official for details.
2. Under certain circumstances, veterans can be paid at an accelerated rate for a lesser number of credit hours. This typically occurs during mini-term semesters and Summer semester. You will be provided with accelerated rate information before Summer registration.
3. All VA recipients are required to declare a program of study and program option. The declared program of study and option must be the same with the Admissions Office and VA. Classes will not be certified to the VA that do not meet graduation requirements. **Remedial classes, based on placement test scores, can be certified to VA; however, online or hybrid remedial classes cannot be certified to VA.** Students may take only those courses, which are required in their program of study and program option, as outlined in the Wallace College Catalog and Student Handbook.
4. Veterans and dependents are required to **provide the Financial Aid Office/Veterans Affairs Office by email, fax or copy of their class schedule immediately upon registration each term.** Failure to do so will delay certification of enrollment or status changes to the VA. It is the student's responsibility to immediately notify our office of any changes in status (course, program, dependents, drop/add, withdrawal, etc.).
5. **Class attendance is required in order to receive benefits.** If the student fails to report non-attendance, VA will be notified when the non-attendance is discovered via grade review, regardless of when the non-attendance is discovered.
6. **Your enrollment will be certified to the VA for only two (2) semesters until prior college and/or military transcripts are received and evaluated by the Admissions Office at Wallace College.** If transfer credit is awarded for an acceptable course or courses from any other source, VA will not pay for that course to be repeated.
7. Veterans and dependents must meet the standards of progress requirements applicable to all students at this institution.
8. Should you fail a course, the VA will pay you to take the course until a passing grade is achieved. Courses cannot be repeated in order to improve your grade point average, unless you initially received a failing or insufficient grade.
