Employee Giving Campaign

FOUNDATIONS

Your Support Makes a Difference

The Employee Giving Campaign is an opportunity for you to support students, faculty and staff. Contributions from employees provide scholarships for students and Innovation Grants for Wallace Community College Education Society (WES) members. Students are supported by scholarships which recognizes their hard work, provide encouragement to persist in their studies, and give them hope that they can achieve their dreams. WES members are supported by Innovation Grants. Due to limited budgets, professional development activities, programs, equipment or special projects are often last on the list. Innovation Grants in the amount of \$1,500 are awarded to WES members to assist in funding these initiatives.
