Wallace Community College (WCC) is committed to equal opportunity education. The College is guided in philosophy and practice by the principle that individuals shall not be treated differently because of race, creed, religion, color, sex, age, national origin, or disability, and that legitimate and reasonable access to facilities shall be available to all. This principle particularly applies to the admission of students in all programs of the College in their academic pursuits. It is also applicable in extracurricular activities, all student development services, employment of students by the College, and employment of faculty and non-instructional staff. Therefore, WCC is in compliance with Title VI and VII of the Civil Rights Act of 1964, as amended; the Civil Rights Act of 1991; Executive Order 11246, as amended; Title IX of the Educational Amendments of 1972; Section 504 of the Rehabilitation Act; and the Americans with Disabilities Act of 1990. Wallace Community College is an Affirmative Action/Equal Employment and Educational opportunity Institution. If you require special accommodations under ADA, please let us know.

Attention Prospective Health Science Students!

In addition to being unconditionally admitted to the College through the Admissions Office, applicants to programs such as ADN (RN), LPN, Radiologic Technology, Respiratory Therapist, and Physical Therapist Assistant must also complete and submit a departmental program application. These programs have specific admissions criteria and application deadlines students must meet in order to qualify for program entry. If you plan to pursue one of these programs, please contact the program of interest for further information or visit www.wallace.edu.
