ATI TEAS® Entrance Exam for Fall 2020
Wallace Community College
Associate Degree in Nursing and Practical Nursing Applicants

Applicants to the Associate Degree Nursing program at Wallace Community College must submit scores received on the Test of Essential Academic Skills (ATI TEAS® or TEAS-V®). Applicants must pre-register and pay for testing through the vendor site to reserve a seat at their desired testing session. An applicant may take the exam two (2) times during the application period and must wait at least six (6) weeks between tests. Although no minimum score is required, the score received on this test will count as a majority of points used in ranking applicants for admission selection (150 of 251 for ADN; 150 of 221 for PN). ATI TEAS® scores are valid for three years.

The ATI TEAS® measures basic essential skills in the academic content areas of reading, mathematics, science, and English and language usage. Students must create an account at www.atitesting.com to schedule a date for testing. All nursing applicants must include a copy of their ATI TEAS® score report in their nursing program application packet. Applications received without test scores will be considered ineligible for admission consideration and point ranking.

Guidelines for ATI TEAS® Testing:
