**❖❖ Communications regarding acceptance status will be made by email to all applicants. An active email address is required. ❖❖**

---

Dear Prospective Student:

Thank you for your interest in the Radiologic Technology Program at Wallace Community College.

Please read all information carefully.

- Find **information about admission requirements** online at: [www.wallace.edu](http://www.wallace.edu) / *Programs of Study / Health Sciences / Radiologic Technology*.
- A **CHECKLIST** is included to help to ensure that you have met all requirements and all attachments are included.
- **Application packets must be complete at the time of submission.** Incomplete application packets will be disqualified. *If you are registered for classes this spring semester, wait until you have your grades posted to your transcript before submitting your application packet.*
- **All applicants will receive an email regarding their status by the first week of July 2020.** In order to allow time to process applications, please do not contact the office to inquire about application status prior to this time. If you have not received an email noting your status by mid-July, contact *Shannon McNabb, Allied Health Secretary* at 334-556-2388.

For general questions regarding the RAD program, please contact the RAD Program Office at (334) 556-2388 or via email at [smcnabb@wallace.edu](mailto:smcnabb@wallace.edu).

**It is in your best interest to make a copy of all paperwork for your files before submission of your completed RAD admission packet. No copies or documents will be returned or provided to applicants after the application has been submitted.**

## Radiologic Technology Program Application Checklist and Important Information

Student Name: \_\_\_\_\_ WCC Student ID#: \_\_\_\_\_

### Application Requirements

Initial  
Here

\_\_\_\_\_ **Completed requirements for general admission to Wallace Community College.**

- Applicants must complete the WCC application for general admission requirements according to the college admission policy prior to submitting the Radiologic Technology application packet.
- In addition to meeting standard admission requirements, students applying to the RAD program must submit separate official transcripts from ALL colleges attended to the Office of Admissions regardless of prior degree(s).
- Students are encouraged to begin the WCC application process as soon as possible.

\_\_\_\_\_ **Met minimal admission standards** for application to the RAD program (requirements on page 2).

- Students must include transcript(s) as proof of meeting academic requirements

\_\_\_\_\_ **Completed application forms for the RAD program**

- All forms must be complete and signed, where requested.

\_\_\_\_\_ **Attach "Admission Agreement"** from the Office of Admissions and Records.

- Students must be unconditionally admitted to WCC before submitting a Radiologic Technology application packet. (If you are enrolled at another college and cannot obtain "unconditional" status, you must submit all official transcripts up to the semester in progress to the Office of Admissions and Records at WCC, and then follow up with a complete transcript (following grade posting) at the end of spring semester. A notation of your status should be made on your "Admission Agreement".)
- **ALL** applicants must include a current "Admission Agreement". **This includes students currently enrolled in classes at WCC.** Your Radiologic Technology application packet will not be processed without it.
- If you have previously been enrolled at WCC, but are not taking courses for Spring 2020, you must readmit to WCC and obtain a new "Admission Agreement" to include with your packet.
- **Please allow a minimum 72-hour processing time for documents requested from the Office of Admissions and Records.**

\_\_\_\_\_ **Attach separate transcripts from EACH college attended.**

- Copies of separate transcripts (unofficial copies are acceptable) from **EACH** college attended must be included with this application **including your WCC transcript**, if applicable.
- Transfer credit listed on any other college's transcript will not be accepted in place of transcripts from the original college.
- **Transcripts for the RAD application packet can be unofficial.** (Although official transcripts are submitted to the Office of Admissions and Records for acceptance to the College, *transcripts must also be submitted with your RAD application packet.* Copies of transcripts will not be provided by the WCC Office of Admissions and Records for any college other than WCC.) If you are currently enrolled in courses which will be completed prior to the application deadline, submit a transcript copy (unofficial from website following grade posting is acceptable) showing final grade posting with your application.

\_\_\_\_\_ **Attach scores for the A<sup>2</sup> Exam (Evolve Reach Admissions Assessment Exam).**

- Students must email a request for a test date and time to [testing@wallace.edu](mailto:testing@wallace.edu). A student number is required to register for the exam. This number also allows you to make payment for the exam.
- Application packet must include a copy of the **A<sup>2</sup> score report (Cumulative score)**.
- Applications received without test scores will be considered ineligible for admission consideration. Scores are good for three years prior to the application deadline.
- No other tests will be accepted in lieu of the A<sup>2</sup> exam (*see A<sup>2</sup> exam information attachment*)

**IMPORTANT NOTIFICATION METHOD:** Applicants will be notified of acceptance status by **email**. **It is imperative that applicants submit an accurate and frequently checked email address on this application.**

I hereby certify that I have made no willful misrepresentations nor have I withheld information pertinent to this application. Further, I understand that acceptance of this application by Wallace Community College does not imply acceptance into the Radiologic Technology program and that the final selection of applicants is by the RAD Application review committee.

---

**I understand that completion of this application is a component of the student profile and does not in itself grant admission to the radiology program. I understand this application must be resubmitted if I am not selected for the Fall 2019 semester. I certify that the information given in this application is true and correct. I understand that providing false information may be deemed sufficient reason to dismiss a student and/or refuse admission to the RAD program.**

Minimum admission standards include:

1. Unconditional admission to WCC.
2. Receipt of completed application packet for the RAD program by **Friday, May 29, 2020, 2:00 p.m.**
3. All transcripts (college and/or high school) or unofficial GED scores.
3. Minimum of 2.5 cumulative GPA for students with previous college work or 2.5 high school GPA for students without prior college work (GED® acceptable in lieu of high school transcript).
4. Eligibility for English Composition I (ENG101), Intermediate College Algebra (MTH100) or higher level math, and Anatomy and Physiology I (BIO201) **prior to Fall semester 2020.**
5. Score on the A<sup>2</sup> Admission Assessment test for math, reading comprehension, grammar, and vocabulary. Scores must be within three years of the application deadline.
6. Good standing with WCC as defined by the College Catalog.
7. Meeting the essential functions and technical standards required for RAD.

**Admission to the RAD program is competitive, and the number of students is limited by the number of faculty and clinical facilities available. Meeting minimal requirements does not guarantee acceptance.**

  - Personality Style: 25 item assessment of personality related to the applicant's preferred learning style.
  - Applicants will receive a printout of study tips based on their learning style and personality profile.
  - Total time available to test: 4 hours

## Who should register for the A2 Exam?

All students who apply to the Radiologic Technology Program at Wallace Community College are required to take the A2® Exam as part of the application process. The score received on this exam will be considered as part of the selective admissions process. (See the Radiologic Technology Admissions Ranking Sheet for a breakdown of the scoring process.)

## How do I prepare for the A2® Exam?

The Evolve Reach Testing and Remediation Admission Assessment Exam Review, 2nd Edition is available for purchase online from [HESI](http://www.hesi2practicetest.com/). Visit the website <http://www.hesi2practicetest.com/> for practice test in grammar, vocabulary, reading and math.

## How do I register for the A2® Exam?

- Complete an Application for Admissions to Wallace Community College. Once your application is complete you will be assigned a student number which you must have to register for the exam. This student number also allows you to make payment for the exam.
- You must email your request for a test date and time to [testing@wallace.edu](mailto:testing@wallace.edu). The dates and times for taking the exam are listed below. Be sure to use a valid email address that you check often. A confirmation email with a payment form attached will be sent to the email address you use for registration. If you do not have an email address you will be provided an email address with Wallace Community College when your application to the College is complete.
- The cost of the exam is of \$35 (non-refundable). Payment must be made in the business office at any Wallace Community College Campus prior to testing. You must bring your confirmation email with payment form to the business office to pay. You must also have your student number to make this payment.
- You must bring a copy of the confirmation email and your original receipt with you on your designated test date.
- All testing takes place in the Testing Center in Grimsley Hall, room 126, on the Wallace Campus in Dothan. Please visit [www.wallace.edu](http://www.wallace.edu) for directions.
- Forty seats are available for each testing date and time.
- You must register at least 24 hours prior to the exam.

## What should I do on my scheduled test date?

- Arrive 20-30 minutes prior to testing time
- Allow 4 hours in your schedule for the testing process
- Bring the following to the test:
  - Government issued picture ID (driver's license, passport, etc)
  - A printed copy of your email test date confirmation
  - Receipt for payment of the test from the business office
  - Your email address
  - Your student number

- Please note:
  - **Calculators, cell phones, iPods and other electronic devices are NOT allowed in the testing lab.**
  - No breaks are allowed during the testing process

### Anything else I need to know?

- There is no minimum score for this exam. You should be attempting to get the highest score possible.
- Evolve assesses a \$15 fee to transfer A2® Exam scores to another program other than Wallace Community College.
- Missed exams are non-refundable; however you may reschedule by email no later than 24 hours prior to your original test date and time.
- The A2® Exam may be repeated only once during any admission time frame. When scheduling a second attempt you must state it is your second attempt in the registration email. There are two versions of the exam. The exam software will not allow a student to test twice on the same exam. If you do not identify yourself as a repeat tester you will be locked out of the exam and testing fees are non-refundable. The second attempt may be scheduled for any of the testing dates listed below.
- Please visit for [http://www.wallace.edu/deptpages/health/rad/program\\_information.php](http://www.wallace.edu/deptpages/health/rad/program_information.php) for information regarding the program application and selection process.

### Accommodations for Students with Disabilities

According to the U.S. Department of Education's Section 504 of the Rehabilitation Act of 1973, a student with a disability may be defined as any individual who:

- has a physical or mental impairment which substantially limits one or more major life activities;
- has a record of such an impairment; or
- is regarded as having such an impairment.

Any examinee who has a documented disability should contact Ryan Spry at (334) 556-2587 two weeks prior to registered testing date.
