## WHY THE WRITING CENTER PLATFORM IS FLEEK

By: Caitlyn Ward  
Professional Tutor

We at The Writing Center would like to introduce a little something-something we've been working on for quite some time now: The Writing Center Platform. We hope this space will be for everyone. We want students to share their thoughts, stories, and experiences. We also want to include our awesome WC staff and Wallace Community College faculty. Love you; mean it!

Tutors dress up as our media coordinator on "Dress Like Phillip Day" and prove that tutoring in style is scary good!

CAITLYN LOVES PRETENDING TO LIKE SALAD AND CAN'T CONCENTRATE UNLESS HER NAILS ARE DONE.

*Phillip can't deny his affinity for hot goss and thrilling drama.*

Amanda is truly passionate about creative writing and Mexican food.

LINDSEY LOVES TO LEARN ABOUT ALMOST EVERYTHING, ESPECIALLY DIFFERENT OR UNIQUE TOPICS. SOME OF HER HOBBIES INCLUDE GENEALOGY AND MAKING CUTE CROCHETED ITEMS.

RANDIE THOROUGHLY ENJOYS WORKING IN THE WRITING CENTER BECAUSE HIS CO-WORKERS ARE SO WONDERFULLY WEIRD; HE THINKS WE REALLY ARE LIKE A FAMILY IN HERE.

Colleen's literary "spirit animal" is Bilbo Baggins because he is up for adventure, but he also loves his books and garden.

SARAH LOVES TO TRAVEL, AND SHE PLANS TO VISIT SEVERAL COUNTRIES IN THE NEXT DECADE.

Jeremy has a true passion in life to help others see that life is full of infinite possibilities and realities.

Emily loves to laugh, and she's more of a homebody, although it may not seem like it.

Christi: Cooking is one of her favorite things to do. She also loves to garden, and it's pretty rewarding to be able to cook things that she's grown.

Kaite loves to cook, hates to clean, and believes family always comes first.

Camilla isn't a doctor, but she has seen every episode of Grey's Anatomy, so she just might be able to save your life. When Camilla isn't studying, she can be found reading a good book or playing her favorite board games with her friends.

Atima is one of the eight amazing peer tutors we have here at the Writing Center. In her free time, she enjoys watching Netflix and daydreaming about her future husband, Michael Ealy ...

Mandy: Mother, wife, freelance writer. Secret desire: To roam the world as a National Geographic Reporter. Most daring feat: Back Handsprings down the 50-yard-line at Jordan-Hare Stadium at midnight.

RACHEL: PART-TIME SUPERHERO, SOAP MAKER, AND PART OF A BALANCED BREAKFAST. SHE SPENDS HER TIME CHANGING THE WORLD THROUGH PAINTING, GARDENING, AND WATCHING TIM BURTON MOVIES.

Mike is certainly willing to blow off the presidential debates in favor of Monday Night Football. Before you think that he is the most shallow human being on the planet, please know that it wasn't just any football game. It was the Falcons and the Saints, people - the Alabama/Auburn of the NFL.

... You'll love us ...

One of my favorite things about the Writing Center is that we are always working together to make our space a really cool place for students to go. - Christi, Professional Tutor, Sparks Campus

My favorite thing about our Writing Center is that our team of tutors and coordinators not only encourage our students' confidence in themselves to grow, but also we even build each other up so that every member of the team grows into a more confident person.

- Sarah, Writing Center Coordinator, Sparks Campus

All the friendly faces!
