Form Instructions

Completing the Form: On each form, fill out the institution of higher education (IHE or institution) name, the date of the report, the appropriate quarter the report covers (September 30, December 31, March 31, June 30), the total amount of funds awarded by the Department (including reserve funds if awarded), and check the box if the report is a “final report.” In the chart, an institution must specify the amount of expended CARES Act funds for each funding category: Sections 18004(a)(1) Institutional Portion, 18004(a)(2), and 18004(a)(3), if applicable. Section 18004(a)(2) funds includes CFDA 84.425J (Historically Black Colleges and Universities (HBCUs)), 84.425K (Tribally Controlled Colleges and Universities (TCCUs)), 84.425L (Minority Serving Institutions (MSIs)), 84.425M (Strengthening Institutions Program (SIP)); Section 18004(a)(3) funds are for CFDA 84.425N (Fund for the Improvement of Postsecondary Education (FIPSE) Formula Grant). Each category is deliberately broad and may not capture specific grant program requirements. Explanatory footnotes help clarify certain reporting categories. While some items in the chart are blocked out, please note that the blocking of such items is consistent with Department guidance and FAQs and is not definitive. Provide brief explanatory notes for how funds were expended, including the title and brief description of each project or activity in which funds were expended. Do not include personally identifiable information (PII). Calculate the amount of the Section 18004(a)(1) Institutional Portion (referred to as “(a)(1) institutional” in the chart), Section 18004(a)(2) (referred to as “(a)(2)” in the chart), and Section 18004(a)(3) (referred to as “(a)(3)” in the chart) funds in the “Quarterly Expenditures for each Program” row, and the grand total of all three in the “Total of Quarterly Expenditures” row. Round expenditures to the nearest dollar.

Posting the Form: This form must be conspicuously posted on the institution’s primary website on the same page the reports of the IHE’s activities as to the emergency financial aid grants to students made with funds from the IHE’s allocation under Section 18004(a)(1) of the CARES Act (Student Aid Portion) are posted. It may be posted in an HTML webpage format or as a link to a PDF. A new separate form must be posted covering each quarterly reporting period (September 30, December 31, March 31, June 30), concluding after either (1) posting the quarterly report ending September 30, 2022 or (2) when an institution has expended and liquidated all (a)(1) Institutional Portion, (a)(2), and (a)(3) funds and checks the “final report” box. IHEs must post this quarterly report form no later than 10 days after the end of each calendar quarter (October 10, January 10, April 10, July 10) apart from the first report, which is due October 30, 2020. For the first report using this form, institutions must provide their cumulative expenditures from the date of their first HEERF award through September 30, 2020. Each quarterly report must be separately maintained on an IHE’s website or in a PDF document linked directly from the IHE’s CARES Act reporting webpage. Reports must be maintained for at least three years after the submission of the final report per 2 CFR § 200.333. Any changes or updates after initial posting must be conspicuously noted after initial posting and the date of the change must be noted in the “Date of Report” line.

CARES Act Update: August 12, 2020

Based on the unprecedented interruption for college and university students, Congress passed the *CARES Act* (Coronavirus Aid, Relief, and Economic Security Act) on March 27 to assist students in covering the unexpected costs of the COVID-19 pandemic response.

Wallace Community College-Dothan received **\$1,827,879** for direct student aid. The College signed and returned to the Department the Certification and Agreement and the assurance that the institution has used, or intends to use, no less than 50 percent of the funds received under Section 18004(a)(1) of the CARES Act to provide Emergency Financial Aid Grants to students on April 15, 2020.

As of May 31, 2020, \$1,415,115 emergency aid grants were distributed to 2419 eligible Wallace students (\$585.00 per student).

On June 8, 2020, College notified all eligible Spring 2020 students who were enrolled in Summer 2020 via email that additional aid was available for students with continuing COVID-19-related needs. Students had until June 14, 2020, at 11:30 p.m. to certify continuing needs for CARES Act grants.

As of June 23, 2020, the remaining \$412,764 CARES Act funds were distributed to 1091 eligible students in the amount of \$378.33 per student.

The College used the method of selection based on U.S. Department of Education eligibility protocol. To be eligible, students had to be enrolled in a degree or certificate program and had to be taking at least one traditional course that transitioned to an online format after March 16. Additionally, students must be a PELL recipient or PELL eligible. Dual enrollment, incarcerated students, and online students do not qualify.

The College used the universal disbursement method to offer aid to all eligible students to offset attendance-related costs. The disbursement method and amount were determined using the method and minimum technology amount suggested in the April 14, 2020 Alabama Community College System (ACCS) MEMO 2020-EXE-033 of \$300.00, with an additional \$285.00 included to offset other costs. The remaining funds were distributed based on eligible students who certified a continuing need.

As of August 12, 2020, all CARES Act funds for direct student aid have been distributed.
