

PHYSICAL THERAPIST ASSISTANT AAS CURRICULUM

Students may complete some or all of the general education (non-PTA) courses prior to admission to the Physical Therapist Assistant program. The following course of study should serve as a guideline for registration and program completion. Placement testing in English, math, and reading or appropriate ACT/SAT scores is required for all entering freshmen. Placement determines the starting point for college-level courses. It is strongly suggested that interested students make an appointment with one of the program faculty prior to application to review general education requirements. Acceptance into the Physical Therapist Assistant program is required prior to enrolling in any PTA-prefix course. PTA courses are sequential and cannot be combined to shorten the length of the program. All courses listed in the PTA curriculum must be completed with a "C" or higher.

First Term (Fall Semester I)

BIO201*	Human Anatomy and Physiology I	4
EMS100**	Cardiopulmonary Resuscitation	1
HPS 105 or HPS 112	Medical Terminology	3
ORI101 or 105***	Orientation to College or Orientation and Student Success	1-3
PTA202	PTA Communication Skills	2
PTA220	Functional Anatomy and Kinesiology	3
PTA222	Functional Anatomy and Kinesiology Lab	2
PTA250	Therapeutic Procedures I	4
TOTAL Credit Hours		20-22

Second Term (Spring Semester)

BIO202	Human Anatomy and Physiology II	4
ENG101	English Composition I	3
PTA232	Orthopedics for the PTA	2
PTA240	Physical Disabilities I	2
PTA251	Therapeutic Procedures II	4
PTA290	Therapeutic Exercise	3
TOTAL Credit Hours		16

Third Term (Summer Term)

MTH100	Intermediate College Algebra	3
PTA230	Neuroscience	2
PTA241	Physical Disabilities II	2
PTA253	Therapeutic Procedures III	4
PTA260	Clinical Education I	1
TOTAL Credit Hours		12

Fourth Term (Fall Semester II)

ORI104	Workkeys® Assessment and Advisement	1
PSY200	General Psychology	3

SPH106 OR SPH107	Fundamentals of Oral Communication or Fundamentals of Public Speaking	3
PTA200	PT Issues and Trends	2
PTA231	Rehabilitation Techniques	2
PTA261	Clinical Education II	1
PTA266	Clinical Field Work I	2
TOTAL Credit Hours		14

Fifth Term (Spring Semester II)

PTA210	Human Growth and Development	3
Humanities/Fine Arts Elective		3
PTA201	PTA Seminar	2
PTA204	PTA Forum I	1
PTA268	Clinical Practicum	5
TOTAL Credit Hours		14

Total Program Credit Hours: 76

***Pre-requisite:** Completion of BIO103 with a “C” or higher or satisfactory performance on ACCS Biology Placement Exam, prior to beginning the PTA program, if applicable. Students that have completed an Anatomy and Physiology course at WCC or another college and have received credit at WCC through the Office of Admissions and Records will not be required to complete BIO103 in order to meet curriculum requirements.

****ORI 101, Orientation to College, or ORI105, Orientation and Student Success, if applicable (required of first-time College students)?**
