| Associate Degree Nursing AAS Total Hours 72 | | | |

- * Pre-requisite: Completion of BIO103 with a "C" or higher or satisfactory performance on ACCS Biology Placement Exam, prior to application to the ADN program, if applicable. Students that have completed an Anatomy and Physiology or Microbiology course at WCC or another college and have received credit at WCC through the Office of Admissions and Records will not be required to complete BIO103 in order to meet admission requirements.

Per College curriculum requirements, the following courses will be required in order to complete your AAS in Nursing. These courses must be completed satisfactorily or with a "C" or higher:

- ORI 101:** Orientation to College (if applicable) – 1 credit hour
CIS 146: Microcomputer Applications – 3 credit hour
