Continuous Eligibility for Dual Enrollment for Dual Credit

Students who meet the criteria for initial admission for a Dual Enrollment for Dual Credit program will maintain continuous eligibility so long as they earn a grade of C or better in all attempted college courses. Students who fail to meet this minimum grade requirement or who withdraw from a course will be suspended from the program for a minimum of one term. The one-term suspension may not be served during the summer. The student may not re-enroll until the suspension has been served. For re-entry, the student must reapply to the program and must meet the minimum grade point average requirements.

In order to comply with the requirements of FERPA, Wallace Community College shall obtain written consent from students before disclosing any personally identifiable information from his/her educational records.
