

## Wallace Community College Call Center Scholarship

Application Availability: October 1 – October 31, 2022.

- How to apply for the Call Center Application
  - [APPLY NOW with their GovNET account](#)
    - All notifications will be routed to your Wallace Email account
  - **OR,** [APPLY NOW with Dynamic Forms account](#)
    - Student must create an account for this form. Use your official name (not nicknames) when creating your account.
      - Use your personal email, not your school or parent's email, as you will receive a series of emails once you begin this process.
    - All notifications will be routed to the email account you used when creating your account.
- Check the email you used to register above regularly for updates.

Program participants will receive a half-tuition scholarship for spring 2023, renewable for summer 2023 as long as they remain in good standing.

Program participants will be expected to complete a one-day training in November 2022 and a 5-hour minimum service requirement to College in December 2022. For spring 2023, a minimum of 10 hours of service to the College will be expected.

A complete scholarship application package must include the following items:

- Completed Call Center Application;
- A Cover Letter describing your qualifications and interest in the scholarship;
- A Current Resume;
- At least one letter of recommendation (family members will not be accepted)
