Notes to the Faculty:

- Faculty teaching courses that do not follow the standard day/time scheduling scheme will determine test dates and times within the testing period that best complement the standard schedule.
- Faculty members in technical, nursing, and allied health programs whose courses combine theory, lab, and clinical meetings should use the theory meeting time to schedule their final exams.
- Faculty members teaching distance education classes (online & virtual) should schedule exams using Proctor U; however, faculty must also offer students the option to test in an on-campus lab on both campuses.
- Traditional courses following the standard day/time scheduling scheme take priority over distance education courses. Distance education courses must make allowances in scheduling to accommodate students' traditional course final exam schedules.

GRADES ARE DUE BY 9:00 AM ON MONDAY, DECEMBER 16, 2024.
