## Appendix

### Explanatory Notes

**Report 1** First term data of first-time transfer undergraduates from your institution with 15 or more transfer credit hours

The UA GPA column is blank when the student earned no GPA hours (for example, withdrew from all courses).

**Report 2** List of courses taken by entering transfer students from your institution

UA utilizes + and – designations with course grades, but for the report these designations are ignored. Therefore, the letter grade shown in this report represents all grades at that level regardless of the designation. For example, the number of A grades is the sum of all A+, A, and A- grades assigned.

Students withdrawing from a course while passing receive a grade of W. Students withdrawing from a course while failing receive a grade of F. Course grades of W are not included in the average GPA calculation.

**Report 3** Degree majors list of UA bachelor degree recipients that transferred from your institution

**Report 4** Academic performance of currently enrolled first-time transfer undergraduates from your institution

**Report 5** Academic performance in 300-level and above courses at UA
