**President**

August 14, 2023

Dr. Linda C. Young  
President  
George Corley Wallace State Community College (Dothan)  
1141 Wallace Drive  
Dothan, AL 36303

Dear President Young:

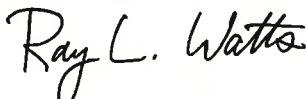

Thank you for continuing to prepare your students for collegiate success. I am pleased to share some of the ways in which UAB continues to be a first choice for your students' educational goals, as well as some of the exciting initiatives taking place across campus:

- UAB prides itself on our diverse and talented students, **with 21,639 students enrolled in fall 2022—** including **2,217 entering freshmen, 1,133 undergraduate transfer students, and 5,984 online-only students.**
- UAB continues to offer **unrivaled academic, research, and service opportunities** to our undergraduates, who in spring 2023 earned—among other national and international honors—a **Marshall Scholarship, four Goldwater Scholarships, and four Fulbright Awards** for research and service in Czech Republic, Germany, Nepal, and Spain.
- We are building new, **state-of-the-art academic and research buildings**, such as our **Science and Engineering Complex**, the first phase of which opens on August 17.
- This fall semester, we are launching our **nationally distinctive Blazer Core Curriculum** that will equip our undergraduates with competencies vital to success in the 21st century global, knowledge economy.
- Our **newly created Transfer Advisor position** in Undergraduate Admissions is providing invaluable pre-enrollment advising, support, and resources to our prospective community college students.

I am enclosing data about your former students' performance at UAB during the 2021-22 academic year. Please contact Dr. Bradley Barnes, Vice Provost for Enrollment Management (205-934-4073 or [bbarnes1@uab.edu](mailto:bbarnes1@uab.edu)) with questions about this information or to learn more about the exciting opportunities available to undergraduates at UAB.

Opportunities abound for students who choose to become UAB Blazers. Thank you again for partnering with UAB to offer world-class educational opportunities for our students.

Sincerely,

Ray L. Watts, M.D.
