October 17, 2024

Dr. Linda C. Young
President
George Corley Wallace State Community College
1141 Wallace Drive
Dothan, AL 36303

Dear President Young:

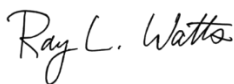

Thank you for continuing to prepare your students for collegiate success. I am pleased to share some of the ways in which UAB continues to offer outstanding opportunities for students to pursue their academic goals and, ultimately, rewarding and impactful careers:

- UAB is proud of our talented and motivated student body, with **20,905 students enrolled in fall 2024**—including **2,014 entering freshmen**, **1,098 undergraduate transfer students**, and **5,802 online-only students**. Nearly **20 percent** of our undergraduates are members of our **Honors College**.
- UAB continues to offer **unrivaled academic, research, and service opportunities** to our undergraduates. In the past academic year, **1,638** undergraduates were enrolled in research courses and **848** of them presented at our **Undergraduate Research Expos** held every semester.
- Our **health-related undergraduate programs** are among the most outstanding in the Southeast and are highly ranked nationally, and a number of our **accelerated master's programs** are available to undergraduates, such as biomedical engineering (MSBME) and public health (MPH).
- In spring 2024, our undergraduates earned—among other prestigious honors—**two Goldwater Scholarships**, **two U.S. State Department Critical Language Scholarships**, and **eight Gilman International Scholarships** for study abroad in countries such as the United Kingdom, France, Peru, and South Korea.
- We have opened **new, state-of-the-art facilities**, such as of our **Science and Engineering Complex** (phase I) that opened in summer 2023 and our **new Student Assembly Building** that just opened in August 2024.
- In fall 2023, we launched our **transformative and nationally distinctive Blazer Core Curriculum** that equips our undergraduates to develop as innovative thinkers, dynamic communicators, insightful researchers, and reflective global citizens.
- Our **newly created Transfer Advisor position** in Undergraduate Admissions is providing invaluable pre-enrollment advising, support, and resources to our prospective community college students.

I am enclosing data about your former students' performance at UAB during the 2023-24 academic year. Please contact Dr. Bradley Barnes, Vice Provost for Enrollment Management (205-934-4073 or bbarnes1@uab.edu) with questions about this information or to learn more about the exciting opportunities available to undergraduates at UAB.

Opportunities abound for students who choose to become UAB Blazers. Thank you again for partnering with UAB to offer world-class educational opportunities for your students.

Sincerely,

OFFICE OF THE PRESIDENT

1070 Administration Building | 701 20th Street South

Codes & Definitions

UAB Undergraduate School Codes

School Code	UAB College or School
AS	College of Arts and Sciences
BU	Collat School of Business
DN	School of Dentistry (Dental Assisting)
ED	School of Education
EG	School of Engineering
HP	School of Health Professions
PH	School of Public Health

Definitions/ Notes

Reports 2/4: Any SAT scores submitted to UAB are translated to ACT scores.

The admission test score used in the feedback report is the highest score reported to UAB Admissions by the individual student, whether ACT or translated SAT score.

Reports 2/4: High school grade point averages (GPA) are those reported by the high school at the time the transcript for application is submitted.

Reports 2/4: "Attempted Hours - All" averages all hours attempted during the given term. "Attempted Hours - GPA" includes only those hours considered in the UAB GPA calculation and excludes any hours connected with remedial courses. Also excluded are hours from which the student withdrew during a term. "Earned Hours" reflects hours normally creditable towards a UAB degree, which includes hours taken for credit in non-remedial classes. Course hours passed under a Pass/Fail grade system will show Earned Hours without equivalent Attempted Hours for GPA.

Report 4: Summer information is included for those students who matriculated early.

George Wallace Community College-Dothan
