Notes to the Faculty:

- Faculty teaching courses that do not follow the standard day/time scheduling scheme will determine test dates and times within the testing period that best complement the standard schedule.
- Faculty members in technical, nursing, and allied health programs whose courses combine theory, lab, and clinical meetings should use the theory meeting time to schedule their final exams.
- Faculty members teaching distance education classes (online & virtual) should schedule exams using HonorLock; however, faculty must also offer students the option to test in an on-campus lab on both campuses.
- Traditional courses following the standard day/time scheduling scheme take priority over distance education courses. Distance education courses must make allowances in scheduling to accommodate students' traditional course final exam schedules.

GRADES ARE DUE BY NOON ON THURSDAY, DECEMBER 17, 2026.
