COLLEGE  
TESTING CENTER  
POLICY MANUAL  
2020-2021**

## INTRODUCTION

The Wallace Community College Testing Center shall furnish a facility and personnel for administering the Ability to Benefit exam, ACCUPLACER placement inventory, Admissions Assessment (A-2) exam, BIO 103 Challenge Exam, CIS 146 Challenge Exam, College Level Examination Program (CLEP), and Test of Essential Skills (ATI TEAS) tests in addition to providing isolated environments for students receiving test-related accommodations through the Disability Support Services office to complete their exams. The purpose of this manual is to communicate the procedures for scheduling, administering, and taking tests.

## TESTING CENTER FACILITIES

The Testing Centers are in room A-1 within the Administration Building on the Sparks Campus and room 126 in Grimsley Hall on the Wallace Campus. Both centers provide a quiet, secure place with minimal distraction.

The Testing Center on the Sparks Campus is an open lab, which is available for students to use when not being used for testing purposes, while the Testing Center on the Wallace Campus is dedicated solely to testing.

Testing Center personnel and Student Affairs administrators are the only personnel that have access to the Testing Center facility on the Wallace Campus.

## RESPONSIBILITIES OF THE STUDENT

1. Students taking the A-2 exam, BIO 103 Challenge Exam, CIS 146 Challenge Exam, and CLEP must make an examination appointment by emailing Testing Center staff at [testing@wallace.edu](mailto:testing@wallace.edu) or [testingsparks@wallace.edu](mailto:testingsparks@wallace.edu) at least 2 business days in advance of test.
  - a. Students should contact the Testing Center as early as possible to cancel an appointment if circumstances prevent the student from keeping the appointment.
  - b. Students can cancel testing sessions by using the above email addresses.
2. Students taking the Tests of Essential Skills reserve their place at <https://www.atitesting.com/teas-prep>.
3. Students taking the ACCUPLACER Inventory must make an appointment through RegisterBlast at <https://www2.registerblast.com/wccsparks/Exam/List> for the Sparks Campus and <http://www2.registerblast.com/wccmain/exam> for the Dothan Campus.
4. Students must arrive on time. Students arriving late for their scheduled test may have to reschedule their test date and time if individual testing rooms or the open lab are to be utilized by other students throughout the day. If students are still permitted to sit for their exam after arriving late, the time available for students to complete their examination may be limited.
5. Only those items that are authorized by the testing companies, testing administrators, the College's ADA Coordinators, and faculty members may be utilized during testing.
  - a. Cell phones and electronic devices, to include watches and electronic rings must be turned off/silenced and left in lockers in the Testing Centers.

Keeping cell phones, electronic devices, or personal belongings while testing constitutes academic dishonesty, which could result in the test/exam/inventory being terminated, as well as, an incident report being sent to the instructor or faculty member for further action.

6. Students should take their personal belongings with them when they leave the Testing Center, as Testing Center staff will not be held responsible for items left in the Testing Center.

10. Each semester, students receiving accommodations must respond by email to the ADA Coordinator on the respective campus to request accommodations before the Testing Center may be utilized for testing. ADA coordinators will then communicate approved accommodations to the Testing Center prior to the scheduled time for testing.
11. Examinees registered to take the ACCUPLACER Inventory or ATI TEAS at Wallace Community College but plan to attend college elsewhere, will be assessed a \$25.00 testing fee.
12. All students who are enrolled or enrolling in WCC must know their student ID number.
